According to the Danish Postal Act magazines and letters must be clearly marked with the name of the postal service company.

Therefore letters and magazines distributed by Bladkompagniet must be identified with a stamp - or alternatively "Bladkompagniet" must be written alongside the address.

Using the stamps:

The stamps must be minimum 2,5 cm in height (see the "The Perfect Letter") and placed in the upper right corner.

The stamps are available as JPG- and EPS-files. The current version is from June 2019.
